

# CONNECT WITH CREATION – HEAL OUR COMMUNITIES

JUSTICE CONFERENCE: MAY 2-4, 2022

ZEPHYR POINT PRESBYTERIAN CONFERENCE CENTER, ZEPHYR COVE, NV

## **Keynote Speaker: Rev. Dr. Cláudio Carvalhaes**

As a former shoe-shining boy from São Paulo, Brazil, Claudio is a much sought after worldwide speaker, writer, and preacher. He is a PC(USA) minister, activist, and the Associate Professor of Worship for Union Theological Seminary in New York City.

**During this time together as people of faith, we will explore a global understanding of ecological devastation, as well as discover spiritually-grounded and tangible tools to equip us for engagement in our own local communities. It is our hope for each church to send their pastor and key leaders to begin these important conversations of faith and action.**
