

Nationally Ranked. Locally Trusted.

Announcing Summer Hours for School-Based Health Centers!

Remember!

All services are provided at NO COST to families and any Denver Public Schools student can be seen at the summertime locations. All other locations will reopen just before the start of the school year.

Summertime is a great time for parents to get their children in for medical care and can help them beat the rush for important back-to-school physicals.

Summer Location

Place Bridge Academy Campus | 720 424-2050
7125 Cherry Creek Drive North | Denver, CO 80224

Monday – Friday | 7:30 a.m. – 4 p.m.
Closed July 4, 2018 and July 9, 2018 – July 13, 2018

About School-Based Health Centers

Denver Health's School-Based Health Centers provide primary care, mental health, health education and insurance enrollment assistance services to Denver Public School students. Our medical and health professionals treat most health conditions that affect school-aged children during the school year keeping them at school and parents at ease.

Services

- Well Child Checks which meet the requirements of school, sports, camp and employment physical exams
- Immunizations
- Care for chronic conditions such as asthma and depression
- Care for acute injury and illness
- Prescriptions, medication and routine lab tests
- Reproductive health services including pregnancy testing and birth control evaluation, dispensing and management
- Testing and treatment for sexually transmitted infections
- Individual, group and family mental health counseling
- Dental screenings, routine cleanings, sealants and dental x-rays
- Parent and child health education
