FAQs for Bilingual Labeling Certification In MyPeST

Q: I do not have any products that require certification in 2025. What do I need to do?

A: Nothing!

Q: I am not ready to perform my Bilingual Labeling certification yet. What should I do?

A: Certification on MyPeST is still *Optional* at this time. You are not required to do anything until The Agency finalizes the ICR

Q: I am not sure which selection I will make for my products. Do I need to make a selection right now?

A: No – you *may* perform the selections now, but are not yet required to do so

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2070-NEW). Responses to this collection of information are mandatory for certain persons, as specified at 40 CFR Part 152. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to be 5 hours per response. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates and any suggested methods for minimizing respondent burden to the Information Engagement Division Director, U.S. Environmental Protection Agency (2821T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.

Select All	Product Name	Registration Number	Use Type ⓘ	Restricted Use	Signal Word	Pesticide Type	Bilingual Labeling ⓘ Added	Not To Be Released ⓘ For Shipment	Spanish Labeling URL ⓘ
☐									
☒	TEST DCI COMPANY	98765-677	MP	☐	None	Conventional Chemical	☐	☐	

Optional field to paste the URL for the product's Spanish labeling or SDS. If the URL contains more than the character limit of 255, please shorten it using a method such as tinyURL. EPA will make this URL available to the public.

<< < Page 1 of 1 > >>

After Selecting the Products, Choose the Applicable Statement: Either Bilingual Labeling Added or Not to Be Released for Shipment. Then Confirm Your Selections. All Set!

 Certify Bilingual Label Status

I certify that all products with the **"Bilingual Labeling Added"** box selected are in compliance with the bilingual labeling requirements specified at 7 USC §136a(5) (i.e., include on the labeling the required Spanish translations or a link to translations via scannable technology or other electronic methods, or where permitted a link to Safety Data Sheets in Spanish).

I certify that all products with the **"Not To Be Released For Shipment"** box selected **1** will not be released for shipment until the bilingual labeling is added and the "Bilingual Labeling Added" box is selected and certified.

If these products were incorrectly certified, select **"Remove Product Certification"** and click **Submit** to remove all certifications for the selected product(s).

☒ Bilingual Labeling Added

☐ Not To Be Released For Shipment

☐ Remove Product Certification
