

BCN Health e-Blue Training

**Please join Blue Care Network and Partners In Care
for the following webinar:**

Tuesday, May 15, 2018 at Noon

Topics discussed will include:

- **Review of 2018 PRP Measures**
- **Overview on how to use Health e-Blue:**
 - How to pull a physician's patient panel
 - How to run a report for treatment opportunities by condition
 - How to enter data into Health e-Blue
 - Review of No Entry Measures
 - Review of Panel Service Episodes
 - Review of Quality Summary Reports
 - Opportunity for you to ask BCN questions

The target audience for this webinar includes Office Managers and any other office staff working on quality. The purpose of the webinar is to walk through the various functions of Health e-Blue and to answer questions you may have.
