Please R.S.V.P. to St. John Providence Partners in Care at
(586) 753-0926 or via e-mail at Elizabeth.Breyer@ascension.org or
Michelle.Emery@ascension.org

Learning Objectives:

1. Describe how CDC Prescribing Guidelines and the State of Michigan Opioid Laws relate to clinical practice
2. Understand the intent of Michigan Opioid Laws and how this effects patient care
3. Facilitate an interactive discussion describing how to have difficult conversations with patients related to 1) suspected prescription abuse, 2) tapering medications, 3) connecting individuals to treatment, or 4) alternative pain management practices
