

YOUR BOOSTER CLUB BUCKS AT WORK!

UPGRADES TO THE FOOTBALL STADIUM AND GYMNASIUM

The Creekside Knights Athletic Booster Club is proud to announce that we are contributing \$10,000 towards new sound systems in the football stadium and gymnasium! These upgrades are well overdue. The stadium will have new speakers mounted on the home side light poles, and the gym will go from two working speakers to nine! These systems will be installed over the summer, and we look forward to welcoming everyone back next school year to enjoy the new upgrades.

RUNNING OF THE KNIGHTS (Annual Booster Club Fundraiser)

We want to thank all 2020 supporters who “leaned in” to help us raise money for our teams, band, and athletics. More than 350 people registered for our virtual event. In a challenging environment, we raised almost \$16,000 via registrations and sponsorships with a total of over \$21,000 with registrations, sponsorships, and in-kind donations combined. Over \$5,000 of the money raised went directly to individual teams and the band. We are very thankful that we can make a difference for all when we come together as a community. In just four years, we were able to amass \$31,150 for this project!

The next Running of the Knights is scheduled for ***Friday evening, November 19th, 2021*** at Creekside High School. Mark your calendars to support! More details to come.
