## Parashat Vaera

**Please join us for our annual Sisterhood Shabbat as our talented members lead the service.**

Each year, one of the highlights of Sisterhood programming for us is Sisterhood Shabbat. Although this year will be different as we will be gathering virtually, we know this completely Sisterhood-led service will be as beautiful and inspiring as always. We have had some members approach us and Ellen Wertheim for prayers and Torah portions already, **but there are still parts available**. There are fewer parts available this year as we do not have ark openings, walking with the Torah or aliyot.

**Please look at the list below to see which parts you like. Contact Ilene at [Rflanzman@aol.com](mailto:Rflanzman@aol.com) to request a part.**

**Ashrei**

**Ein Keloheinu**

**English reading about trees,  
nature and planting – 2 people**

**Etz Haim Hi**

**Adon Olam**

**Kiddush**

**Amidah**

**English Reading about  
Martin Luther King, Jr.**

**Hand Washing and HaMotzi**

Looking forward to having you participate, and for everyone to attend services in support of this beautiful Shabbat experience.

Happy Hannukah to you and your families.  
Ilene Laufer and Estelle Haberman
