# **Social Action Hopes You Can Help With ESP (Emergency Supply Packages)**

- **Emergency Supply Packages are distributed to seniors and disabled individuals who are recipients of Kosher Meals on Wheels. The ESPs ensure that these individuals will have food in case Kosher Meals on Wheels can't deliver food due to a winter snowstorm or other reason.**
- **This past Sunday, with help from our Religious school students, we packed 100 ESPs with provisions purchased by the Social Action committee.**
- **We hope you can help us defray the cost of this important project. Please donate if you can. Any amount is appreciated.**

**THANK YOU!**

**Send your checks to the shul office made out to FLJC/CBI, noting "Social Action, ESP Packages" on the memo line**
