FAIR LAWN JEWISH CENTER

Holocaust Study Trip Presentation During Shabbat Morning Service Saturday, April 18, 2026

Last October, a group of 41 congregants from CBS/FLJC spent 11 days traveling in Germany and Poland, learning at the sites where the Holocaust took place.

In the week that we mark Yom HaShoah, join us for a special Saturday morning when, in lieu of the Rabbi's sermon, three of the congregants who went on the Holocaust Study Trip will share some of what they saw, learned, and experienced.
