

BHIPP ECHO™ Clinics

Behavioral Health in Primary Care: Core Foundations

Join our multidisciplinary team of child behavioral health experts from 8:00-9:00am on the dates listed below for virtual case-based learning and didactic presentations. This series is great for providers who want to improve their knowledge of child mental health and develop foundational skills.

What are the benefits?

- Enhance knowledge of child mental health
- Connect with other Maryland pediatric providers in a virtual format
- Share and discuss mental health cases with peers and subject matter experts
- Improve confidence with managing patients with mental health diagnoses
- Earn free CME and CEU credits

Dates	Topics
1/18/23	Evidence Based Psychosocial Treatments for Pediatric Populations
2/15/23	Approaches to Treating Anxiety in the Primary Care Setting
3/15/23	Suicide Prevention for Children and Adolescents
4/19/23	Helping Families Manage ADHD in Primary Care
5/17/23	Behavioral Interventions for ADHD/ODD
6/14/23	Nonsuicidal Self-Injury

 **Wednesdays from 8:00-9:00am**

BHIPP
Maryland Behavioral Health Integration in Pediatric Primary Care

Who Should Attend?

Pediatric primary care providers and care teams (e.g. pediatricians, family physicians, nurse practitioners, physician assistants, registered nurses, social workers, practice managers) are welcome and highly encouraged to participate.
