

2022 Winter Family Opportunities

The Chicago Park District Special Olympics Chicago team is excited to host another round of Family Opportunities! The winter Family Opportunities will run from January 14–April 2. Some seasonal activities may end earlier. Family members need to register Special Olympic Chicago athletes for each reservation they would like to make through the links below. Athletes are invited to bring up to 3 additional family members for most activities. There will not be CPD staff facilitating all of these activities, so each athlete must arrive with a chaperone, and that chaperone must stay for the duration of the activity. These are Chicago Park District events, so athletes must have a free Chicago Park District Activenet account.

Special Olympics Chicago/Special Children's Charities sponsors these activities, so there is no cost to you!
