

2022 Spring Family Opportunities

The Chicago Park District Special Olympics team is excited to be able to host another round of Family Opportunities! The Winter Family Opportunities will run April 13-June 10. Some seasonal activities may end earlier. Family members need to register Special Olympic Chicago athletes for each reservation they would like to make through the links below. Athletes are invited to bring up to 3 additional family members for most activities with them for the activities listed below. There will not be CPD staff facilitating all of these activities so each athlete must arrive with a chaperone and that chaperone must stay for the duration of the activity. These are Chicago Park District events, so athletes must have a Chicago Park District Activenet account - free and easy, sign up [here](#):
