Residents will arrive after their schooling and will be extremely excited to see what we have planned for them...

We are asking for the candy makers and assistants, confectionery enthusiasts, and energetic individuals to participate with a sweet activity and staff one of the tables. This will certainly be a fun and fulfilling experience for all of us, but we need volunteers to make it a success! You can also help by donating candy supplies** as well!

We will hold the function in the gym and have the entire use of the kitchen which is adjacent to the gym. There is a walk in cooler and several bakers racks with trays. As many of you know, the residents will move around the gym and spend some enjoyable time with your sweet activity at your tables. Some may need more assistance while participating than others. Some great treats/ideas may be eating chocolate fudge, making chocolate hay stacks, coating from a chocolate fountain, decorating cookies, making trail mix, etc.!

If you are interested in helping out, donating, or volunteering time please RSVP to Sandy Murphy at 630 941 1621, murphysandra722@gmail.com. Let Sandy know if you need additional supplies for your activity as well (chocolate, nuts, sprinkles, pretzels, etc.). Please bring all other project supplies with you. Please bring an electrical cord, if needed.

****Wish List for Donations:** large & small baggies, marshmallows, paper bags, nuts, long lollipop sticks, raisins, popsicle sticks, molds, cookies, inclusions, pretzels rods, twist pretzels, jelly beans, paper plates, sprinkles, jellies, gummies, caramels, popcorn or anything else you can provide.....**THANK YOU FOR YOUR SUPPORT!!!**
