Hello, Third Grade Parents!

We are so excited to meet you all get to know you this year! The circumstances we are starting under are challenging, we acknowledge that. This is not easy for any of us. We want you to know that we are here to help you and support you however we can. We also want you to know that we are doing our best every day, and we appreciate your grace and patience while we all continue to figure this out together! We are thankful for all of you and eager to teach and learn with your students!

Starting next week, please remember to submit your attendance in the designated Google Form in Google Classroom by noon each day!

As you start having assignments “returned” next week, look in the comment section for grades from your teachers. Some assignments will not be graded for a score and will simply be returned after being checked for completion. However, many of them will have more specific grades given. More details on grading will come as we get further along.

If you are interested in donating supplies (i.e. hand sanitizer, wipes, etc.), please reach out to Ms. Curtis or Ms. Parker. We welcome your generosity! However, donated supplies do need to go through an approval process before they can be used in the school. Thank you for considering this!

Yours in the pursuit of Truth, Goodness, and Beauty,

Ms. Diesing, Ms. Redd, Ms. Marshall, and Ms. Smith
