We have many exciting events coming up in 1st Grade! We will be celebrating Desert Day after starting our Habitat unit. During the day, the class will learn about and observe desert plants on our campus. We will eat some desert-y foods such as agave syrup and prickly pear jelly. After reading *Cactus Hotel*, the students will create their own cactus hotels. We look forward to having a wonderful day. We will also be going on our second field trip to OdySea Aquarium in March (details and sign up to follow).
