Practicing Hope

How can Christ-followers cultivate hope that is honest about our current conditions, hope that is restorative when everything feels urgent, and hope that is possible even when we transgress? Through scripture study and group discussion, this study will explore what it means to practice hope in God even when hope seems hard to find.

St. Mark's Preschool is a faith-based ministry of St. Mark's UMC, offering two-, three-, and five-day fully licensed classes for children ages one to five years old, with lower teacher/student ratios, highly qualified teachers, and a family-centered community. We are excited to be expanding our care options to 5:00 p.m. beginning in the Fall of 2026, with limited spots available.
