We are Growing in God's Love! We are Growing in God's Love!

WELCOME!

TO ST. MARK'S PRESCHOOL AND PARENT'S DAY OUT!

At St. Mark's Preschool and PDO, we believe each child should have the opportunity to develop emotionally, socially, physically, faithfully, and intellectually to his or her fullest potential. We encourage each child to experience the joys of learning and growing.

Our purpose is to provide activities that meet the developmental needs of each child and offer a Christian atmosphere for group interaction and individual growth. We believe each child is special and prayerfully respect the trust families place in us to partner with them in their child's development.

St. Mark's Preschool and Parents' Day Out is a ministry of St. Mark's United Methodist Church and has a long tradition of providing the most excellent and nurturing care available for young children and their families. We share our faith as we love them, impart Christ-like attitudes and values, enjoy weekly chapel services using Godly Play, celebrate the Christian holidays, and offer daily thanks to God in prayer.

While our preschool is faith-based, because we value diversity and seek to welcome all children, we will gladly provide families with an opportunity for their children to opt-out of any and all faith-based activities if so desired.

St. Mark's Preschool operates Monday – Friday, 8:30 a.m. – 12:30 p.m., with extended care available beginning at 7:30 a.m. and ending at 2:00 p.m. Our calendar aligns with Murfreesboro City Schools with additional summer opportunities available.

OUR CURRICULUM IS DESIGNED TO:

- Provide opportunities that encourage physical, emotional, social and intellectual growth.
- Enhance fine motor and gross motor skills, whether outside on the playground or inside the classroom.
- Support the development of social skills such as sharing, cooperation, generosity, and empathy.
- Foster positive self-esteem, a sense of self-worth, and development of each child's unique gifts.

St. Mark's Preschool offers licensed three- and five-day classes, following relational, health and safety regulations set by the TN Department of Human Services, in addition to best practices recommended by TN early learning developmental standards. Although we choose for our licensed Preschool and Parents' Day Out (PDO) programs to follow the same guidelines and regulations, the two-day classes offered through our PDO program are not required to be licensed by the state as a childcare agency.
