

Hello!

The last month has been such a fun one in the life of the youth ministry. At the end of February, our youth got to go to the first conference event since covid, the UNITED retreat at Camp Cedar Crest. We had a great time learning what it means to be unique and creating a space where anyone is welcome to be themselves and loving people for who they are. We also got to play games, fellowship with folks from other churches, and got some delicious ice cream!

In March we also had the opportunity to take a trip to main event Murfreesboro! We had a great night eating some delicious food and playing lots of fun games.

The youth have also been given the incredible chance to plan and lead our Good Friday Tenebrae service on April 18th. I have to take a minute to brag on the incredible young people in this church. They absolutely crushed it during our meeting and have planned a really great Tenebrae service for Good Friday. I hope you all will join us on April 18th for what will be a very special service.

We also have a mission trip coming up that you all would love! This summer, June 6-12, we will be going to Henderson Settlement. On this trip, we will have the opportunity to participate in lots of different mission opportunities. They offer things for people of all skill levels that anyone can do! If you are interested in more information, please let me or Martha know. If you know that you want to go, please sign up at the link below and turn in a 50 dollar deposit by March 31st.

I want to just end by saying thank you. Thank you all for the amazing support you have offered this youth group from meals, to volunteering, to your continued prayers. This really is a special group of young people and yalls support is proof of that! If you would like to get more involved in any way, please let me know!

Blessings and Peace,
David Cowan
