Hello!

Youth has been off to a great start so far this fall! August 9th, we kicked off our fall semester with a messy night. We had 17 youth who participated and a LOT of mashed potatoes to clean up afterwards. We had a great night full of fun and laughter. That fun will continue throughout the year with events to come!

There are two things I would like to bring to your immediate attention that are coming up soon. First, on Sunday, August 23rd, we will have a parent meeting during youth. We will eat together and then, while the youth are being led in games in the gym, parents will meet in the youth center where we will have an opportunity to talk about schedules, answer questions, and learn more about youth ministry here at St. Mark's. If you are a parent of a youth or if you know a parent of a youth, send them our way on August 23rd at 5pm!

Secondly, the day before that is our church wide day of service! From 8-1 there will be opportunities for youth and adults to serve throughout our community, including projects specifically for youth. If you have not already done so, please sign up using the link below and help serve our local community!

Lastly, we have spaces still available if you would like to provide a meal for the youth! In the link below, you will find the open dates we need to feed our young people. We eat at 5 pm on Sunday nights and would love to eat with you all! If this is something you, your family, or your Sunday school would like to be involved in, sign up with the link below or let me know.

As always, thank you all so much for you continued love and support of the St. Mark's youth. We have a really awesome group of young people who are made even more awesome by folks like you who support them and love on them! If you have any questions, please do not hesitate to reach out!

Blessings and Peace,

David Cowan
