The SAGES outing to the Frist Center was a very meaningful time. We saw art from a very colorful Buddhist Collection, items from students from all across Tennessee, an exhibition by another group of Young Tennesseans, and a technological marvel using several large screens and music venues. Lunch at the Frist Café was very tasty. The hospitality for the day was outstanding, from the open front door, to the courtesy at the registration desk, to the young lady who directed us to our starting point, to the attendants who made us feel so welcome at lunch. A very good day indeed!

The SAGES had a great planning session last Monday where the entire year's schedule was laid out. Thanks to everyone who participated and made it a successful day.

THE SAGES luncheon on Monday was a real treat. The food provided by Carolyn's Creations was really good and a wonderful program of lively songs was performed by the St. Mark's Preschool. Thanks to the Preschool and to everyone else who attended.
