

THIS SUNDAY AT 9:15!

Our Preschool (Ages 2 to PreK 5), Younger Elementary (Kindergarten to 2nd Grade), and Older Elementary (3rd Grade to 5th Grade) children will meet for Sunday school to explore Spark: Activate Faith lessons. An activity-filled Sunday school curriculum that follows the salvation story from start to finish, helping kids explore key Bible stories from both the Old and New Testaments. **The preschool class will meet in Room 305, the younger elementary class will meet in Room 214, and the older elementary class will meet in Room 212.**

Spark helps kids learn at their level

Interact with the Bible in every lesson, helping kids navigate the story and begin to compare what they learn to their own life.

Focus on hands-on learning

Engage kids in the Bible story with lessons packed with activities, interactive games, and creative crafts.

Experience the Salvation Story arc

Help kids experience the Salvation story each year by exploring the Old Testament in the fall, and the New Testament in the winter and spring.

Frolic Nursery: Little Steps, Big Faith

Our Nursery aged children (Birth to 1 year) will explore Frolic Nursery lessons. Drawing on brain science as well as theology, Frolic was designed by early childhood experts to build faith through play in babies, toddlers, and young children from birth to age five. Frolic uses Bible lessons, music, and play to help build a firm Faith foundation.

Start faith formation at birth

Uses a curriculum-based on early childhood best practices to help your little ones to take little steps to big faith—starting at birth.

Focuses on learning at their level

Frolic's curriculum focuses on helping young children explore faith concepts in the way they know best— through play!

Equips caregivers to nurture faith

Equips leaders and parents to nurture faith in many ways—through storytelling, prayers, and music.
