

The St. Marks Music program started with the Worship Arts Kick Off event on August 2nd. Nearly one hundred people gathered and had a great meal/communion.

I appreciate all who came and their commitment to share own talents for the worship services. Also special thanks to Kathy Edwards, Sherrie Gilliam, Dorothy Murphy, and Becky Waldrop and Dr. Rev. Jim Clardy for making the 1st Kick Off event successful.

Even though you didn't start with us, it is NOT TO LATE!

Please contact me if you want to join any of the Worship Arts groups, whether you have experience or not.
