

Hello!

The year really is flying by! Christmas is almost here! We have had a great November so far and are looking forward to what we have planned for the end of the semester.

We just got back from our fall retreat where our kids got an opportunity to have a really fun weekend at Cedar Crest Camp! We had a ton of fun zip lining, doing low ropes, and helping out camp by clearing a few trails.

Next week, we will meet for youth at a different time. We will be meeting right after church to eat a quick bite and then head out on our scavenger hunt for food! We will be going out to different houses asking folks to donate food to our food bank.

In December, we have two exciting events. On December the 7th we will take a group to see the Dancing lights of Christmas in Lebanon! The following week, on December 14th, we will have a progressive dinner, meaning that we will travel to four different houses and have four different courses for our meal that evening. We will then meet back at the church to have a gift exchange! If a young person you know is interested in either of these events, please let them know so they can join us! All students should bring a gift worth no more than 25 dollars! If you are interested in hosting us for a course, please let me know!

As always, thank you all so much for your continued support of this ministry and its awesome young people! If you have any questions or are interested in volunteering in any way, let me know!

Blessings and Peace,

David cowan
