

Hello! With the semester almost over, I wanted to take the time to say thank you. Thank you to everyone who volunteered, provided food, participated, donated or prayed for this youth ministry. We have an awesome group of young people who you all have supported and loved this semester! Thank you!

We have a really fun summer coming up with a ton of fun activities planned. Be sure to check out our GroupMe for more info! Two major things coming up soon are our youth choir trip and VBS! We are taking a group to Cincinnati to sing, do some service projects and have a ton of fun! VBS is coming up in June and we have a ton of youth volunteering. If you would like to volunteer but haven't already, sign up using the links below! We will be having a youth VBS training on June 18th from 6-7 in the youth center. Please join us if you are volunteering!

If you would like to know more about our awesome students here at St. Marks, would like to volunteer or have any questions, please [let me know!](#)

Blessings and Peace,

David Cowan
