Disciple Bible Study is well-known as one of the best, most comprehensive Bible studies available to today's Christians. An in-depth 34-week study that takes participants through 70% of the Bible, DISCIPLE I focuses on spiritual transformation and discipleship, not just the mastering of information. Disciple groups covenant together to prepare individually, and then meet weekly to grow and learn as a community of faith. Disciple is life-changing and faith-growing!
