

Hello!

We have a lot of fun stuff planned for this Summer. I have included our summer calendar so you all can plan to hopefully be here for all of our events! If you have any questions regarding the calendar, please do not hesitate to reach out!

We are starting off the summer on Sunday with an escape room and dinner! If you would like to come with us, please let me know by Wednesday so we can have our rooms reserved. Any dads who want to come along are welcome to as well!

Any youth who are volunteering with VBS, I wanted to remind you all that there is a VBS youth training on June 18th from 6-7!

We are excited to have fun events, service projects, and even former youth leading us in worship this summer. We are even more excited to have your young people join us!

Thank you all for your continued support and love of these incredible young people!

Blessings and Peace

David Cowan
