Cedar Crest Camp is a beautiful place for children and youth to experience God and meet new friends while having an exciting camping experience in a caring environment! Cedar Crest is our Tennessee Conference United Methodist camp, located in Lyles, Tennessee, about 75 minutes away. Cedar Crest offers a variety of camps for campers finishing grades 1 – 12, including Mini Camp for first-time campers, traditional Elementary, Junior High and Senior High Camps, plus Earth Encounter, Outpost and Adventure Camps.

St. Mark's will coordinate shared transportation to/from camp the weeks of June 17-22 and July 8 – 13, but children and youth can attend any week of camp they prefer. ALL St. Mark's campers will receive a scholarship – last years' scholarships were almost 1/3 of the camp fee! Full scholarships are also available. Several of St. Mark's youth and college students will be working at Cedar Crest this summer, making it even more welcoming for our children!
