

Hey yall!

Last week, we had a fun end to an awesome summer! The youth group met on the 26th and played slipnslide kickball! We capped off the night with gutter ice cream! As much fun as summer was, we are so excited to kick off the semester!

The fall semester will kick off on August 9th with a messy night. We will meet, eat delicious food, and have a ton of fun that may or may not cause a mess... If you know of anyone who is youth age, invite them out! And tell them to bring a change of clothes with them!

The fun doesn't stop there. We have a semester full of fun events, haunted houses, Christmas lights, biblical study, devotionals, and a ton of really great fellowship. If you want to know more about what we are doing this fall, please let me know!

If you would like to be involved in anything this semester, there are a ton of ways you can volunteer. We would love to see you on a Sunday night, take you with us on a trip, or eat at your house for our progressive dinner! You are also more than welcome to sign up to provide a meal for one of our Sunday night meetings. You can bring something as an individual, as a family, or even as a Sunday school class. If you would like to volunteer in any way, please let me know! And if you would like to provide a meal, you can sign up at the link below.

As always, thank you all so much for the support you offer this ministry. We can feel your prayers, your donations and your presence. We have an amazing group of young people here at St. Mark's that is made better by your constant love and support! Please let me know if you have any questions!

Blessings and Peace,

David Cowan
