

"Every kid is one caring adult away from being a success story."

– Josh Shipp, former at-risk foster kid turned mentoring advocate

You can Mentor A Child at Reeves Rogers!

A new school year is upon us providing an opportunity for you to be a special friend (mentor) to a Reeves Rogers student. The goal of our mentoring program is to provide friendship and be a support person in the life of a child. You meet with your student as your schedule allows.

To volunteer or receive more information, contact Mary Jane Henry (615-631-1902), Peggy Jackson (615-890-4605), or Margie Jennings (615-890-2221).
