

Walk For Peace On World Labyrinth Day

What do you call the journey of a thousand footsteps that winds up exactly where it began? The answer lies in the labyrinth: an ancient path of prayer and walking meditation.

In 2017, over 5,000 people from more than 45 states and 20 countries participated in World Labyrinth Day, held the first Saturday of May. This spring, the Labyrinth Society invites the world to cross borders in a shared symbolic walk for peace Saturday, May 5th at 1:00 p.m. **The labyrinth in St. Mark's Recreation Center will be open for those who wish to participate.**
