

**Red Bird Mission  
Modular House Project  
March 27-31, 2017**

**Where we will be and what will be we be doing?**

We will be in Kentucky, in the Appalachian Mountains. We will be working out of the “work camp” and we will be doing exterior work on the second modular house!

**COST:**

The cost of the trip is **\$80 per person.**

This is a great price! We are able to offer this price (which basically covers meals thanks for our partnership in the house with the Red Bird work camp. It includes housing, most meals and transportation.

You will need money for lunch on travel days and Wednesday night dinner.,

**Background of Red Bird Missions from the website:**

Red Bird Mission was founded in 1921 in the southeastern corner of Kentucky to provide education and Christian evangelism ministries to residents of the area.

St. Mark's and the Murfreesboro District has partnered with the Red Bird Conference on the Modular House Project. Houses are build in the Red Bird area of Beverly Kentucky by volunteers. Recipients are selected by the Red Bird Mission Administrative Board. House #2 has a late January start date.

To see more information on the first house, check out the Facebook page: UMC Modular House Project
