

SUMMER CAMP AT CEDAR CREST IS OPEN!

Cedar Crest is now registering campers for the 2021 Summer Camp Season. After a 2020 hiatus, Cedar Crest is back with camps available for elementary, middle, and high school students! Camps including Adventure Camp, Two Week Camp, and Outpost Camp are open for the season to come as well. Cedar Crest has added a 900 foot zip line, mountain biking, and over 5 miles of new hiking trails for the 2021 season.

Summer Camp will operate with the advice of the American Camp Association and best practices offered from the CDC and healthcare experts. The Cedar Crest full time staff will be fully vaccinated by the end of March, and are excited about the season to come.

For more information, visit the new camp website at www.cedarcrestcamp.org , or contact Cedar Crest Director Russell Casteel at russell.casteel@tnumc.com .
