Mustang MASH FALL FESTIVAL

THANK YOU NOTES

This wonderful note of appreciation was received from a Reeves Roger's teacher this week:

My name is Danielle Johnson and I am a 6th grade teacher at Reeves Rogers... I believe I speak for everyone at Reeves when I say what an amazing job you all did putting together the Fall Festival for our students and our community. Your beautiful smiling faces are matched by that of your altruism and the benevolence of your congregation. We had a great time on this beautiful day and I am so grateful and thankful that Reeves has you all as family. Thank you again!

The Fall Festival was such a blessing! A beautiful, sunshiny day, smiling children, parents and grandparents sharing time together, good food, treats and prizes, and happy fellowship everywhere we turned. In a world where there has been a lot of darkness lately, thank you for working together to bring a few hours of light, love and laughter to our neighborhood!

Thanks to everyone who made donations, hauled hay bales, helped provide a game or activity, volunteered, or bought tickets to the Fall Festival! More than 550 tickets were sold! Special thanks to the Family Ministries Team, the Youth Ministries Leadership Team, and our Adult Sunday school teachers and leaders for all they did to make the Fall Festival a great success. Special thanks also go to St. Mark's United Methodist Men for donating a new LG 43" TV to be given away at the Fall Festival; the TV was won by St. Mark's member Tommy Walker!

There is a new album of Fall Festival photos on our St. Mark's Facebook page you can enjoy.

Grace and Peace,

Rev. Martha Touchton
