| TIME | TOPICS | PRESENTERS |
|---------------|---|--|
| 9:00 | Welcome to Operators-Only Session | Kathy Mayo, Executive Director Paul Herrmann, Board Member |
| 9:15– 11:00 | Business Value of PODS, What's Working? PODS Operators lead discussion among peers on how their PODS implementation has provided business value to their organizations. <ul style="list-style-type: none"> What has worked well and what would you do differently in utilizing and extending the PODS Data Model: <ul style="list-style-type: none"> What is data used for and how does it benefit operators, including regulatory reporting? How does PODS implementation bring business value: reports, risk analysis? <ul style="list-style-type: none"> Has it provided a comprehensive solution? Where does it fall short? How does it address TVC? Other regulatory implementations? How does your company leverage technology? <ul style="list-style-type: none"> What are some experiences in integrating or leveraging systems within your company? How does your company approach challenges in mergers and acquisitions, i.e. running different versions of PODS? | Discussion/Panel Format Moderator: Katrin Franke, <i>TransCanada</i> Panelists: - Andy Morris, <i>DCP Midstream</i> - Chad Corcoran, <i>Tesoro</i> - Buddy Nagel, <i>Kinder Morgan</i> - Paul Herrmann, <i>Chevron</i> |
