## ONE TIN SOLDIER

C G Am Em  
Listen children to a story that was written long ago  
F C Dm G  
'Bout a kingdom on a mountain and the valley folk below  
C G Am Em  
On the mountain was a treasure buried deep beneath a stone  
F C Dm G C  
And the valley people swore they'd have it for their very own

CHORUS: C Em F C  
Go ahead and hate your neighbor, go ahead and cheat a friend  
C Em F C  
Do it in the name of heaven, you can justify it in the end  
C Em F C  
There won't be any trumpets blowing come the Judgement Day  
C Dm C  
On the bloody morning after...One tin soldier rides away

So the people of the valley sent a message up the hill  
Asking for the buried treasure, tons of gold for which they'd kill  
Came an answer from the kingdom, with our brothers we will share  
All the secrets of our mountain all the riches buried there CHORUS

Now the valley cried with anger, mount your horses, draw your swords  
And they killed the mountain people, so they won their just reward  
Now they stood beside the treasure, on the mountain dark and red  
F C Dm C  
Turned the stone and looked beneath it, Peace on Earth...was all it said  
CHORUS

## CLEMENTINE

D A  
In a cavern, in a canyon, excavating for a mine  
A7 D A D  
Lived a miner forty-niner, and his daughter Clementine

CHORUS: D A  
Oh my darling, oh my darling, oh my darling Clementine  
A7 D A D  
You are lost and gone forever, dreadful sorry, Clementine

Light she was, and like a fairy, and her shoes were number nine  
Herring boxes without topses, sandals were for Clementine CHORUS

Drove she ducklings to the water every morning just at nine  
Stubbed her toe against a splinter, fell into the foaming brine CHORUS

Ruby lips above the water, blowing bubbles soft and fine  
But alas! I was no swimmer, so I lost my Clementine CHORUS

There's a churchyard on the hillside, where the flowers grow and twine  
There grow roses 'mongst the posies, fertilized by Clementine CHORUS

 Noble kings and princes would bow whene'er they came  
 Pirate ships would lower their flags when Puff roared out his name. Oh,..

 Painted wings and giant rings make way for other toys  
 One gray night it happened, Jackie Paper came no more  
 And Puff that mighty dragon, he ceased his fearless roar. Oh,..CHORUS

 Puff no longer went to play along the cherry lane

D E A  
The other day I met a bear, out in the woods a-way out there

He looked at me, I looked at him  
He sized up me, I sized up him.

He said to me, you'd better run  
I see you ain't got any gun

And so I ran away from there  
But right behind me was that bear

Ahead of me, oh glory be  
There was a tree, oh lucky me

The nearest branch was ten feet up  
I'd have to jump and trust my luck

And so I jumped into the air  
But I missed that branch, a-way up there

Now don't you fret, and don't you frown  
'Cause I caught that branch on the way back down

That's all there is, there ain't no more  
Unless I meet that bear once more

When we know we're not happy here? ... CHORUS

## THE ROSE

C G F G C  
Some say love it is a river that drowns the tender reed  
C G F G C  
Some say love it is a razor that leaves your heart to bleed  
Em Am7 F G  
Some say love it is a hunger, an endless aching need  
C G F G C  
I say love it is a flower, and you its only seed

It's the heart afraid of breaking that never learns to dance  
It's the dream afraid of waking that never takes the chance  
It's the one who won't be taken who cannot seem to give  
And the soul afraid of dying that never learns to live

When the night has been too lonely and the road has been too long  
And you think that love is only for the lucky and the strong  
Just remember in the winter far beneath the bitter snows  
Lies the seed that with the sun's love in the spring becomes the rose

## GARDEN SONG

D G D G A D  
Inch by inch, row by row, Gonna make this garden grow,  
G A D Em Em A7  
All it takes is a rake and a hoe and a piece of fertile ground  
D G D G A D  
Inch by inch, row by row, Someone bless these seeds I sow,  
G A D Em Em A D  
Someone warm them from below till the rain comes tumbling down

Pullin' weeds and pickin' stones, we are made of dreams and bones,  
Need a place to call my own, 'cause time is near at hand  
Grain for grain, sun and rain, find my way through nature's chain  
Tune my body and my brain to the music from the land

Plant your rows straight and long, temper them with prayer and song,  
Mother Earth will make you strong if you give her love and care  
Old crow watchin' hungrily, from his perch on yonder tree  
In my garden I'm as free as that feathered thief up there

Brothers, sisters all around, this is where our garden's found  
Side by side we work the ground to help these seedlings grow  
Water them with love and care, trust the promise that we share  
Keep them healthy and prepare for God's first fruit to show.

CHORUS: Hallelujah, Hallelujah, Hallelujah, Hallelu-u-u-u--jah

Your faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty and the moonlight overthrew you  
She tied you to a kitchen chair  
She broke your throne and she cut your hair  
And from your lips she drew the hallelujah ... CHORUS

Maybe I've been here before  
I know this room, I've walked this floor  
I used to live alone before I knew you  
I've seen your flag on the marble arch  
And love is not a victory march  
It's a cold and it's a broken hallelujah ... CHORUS

And maybe there's a God above  
And all I ever learned from love  
Is how to shoot at someone who outdrew you  
And it's not the cry that you hear tonight  
And it's not somebody who's seen the light  
It's a cold and it's a broken hallelujah ... CHORUS

It's where our future food is at  
It keeps the atmosphere intact  
The ocean is a habitat we depend on! (Chorus)

The forest is a habitat, a very special habitat  
It's where the tallest trees are at  
It's where a bear can scratch her back

It keeps the ground from rolling back  
Renews the oxygen, in fact  
The forest is a habitat we depend on! (Chorus)

The river is a habitat, a very special habitat  
It's where the freshest water's at  
For people, fish, and muskrat  
But when people dump their trash  
Rivers take the biggest rap  
The river is a habitat we depend on! (Chorus)

To the abandoned old prison down by Adrie Hill  
Where the air smelled like snakes, we'd shoot with our pistols  
But empty pop bottles is all we would kill...CHORUS

Then the coal company came with the world's largest shovel  
And they tortured the timber and stripped all the land  
They dug for their coal 'til the land was forsaken  
Then they wrote it all down as the progress of man...CHORUS

When I die let my ashes flow down the Green River  
Let my soul roll on up to the Rochester Dam  
I'll be half-way to heaven with paradise waiting  
Just five miles away from wherever I am... CHORUS

 California dreamin' on such a winter's day

ALL THINGS BRIGHT AND BEAUTIFUL

CHORUS: All things bright and beautiful, all creatures great and small  
 All things wise and wonderful, the Lord, God made them all

Each little flower that opens, each little bird that sings  
 God made their glowing colors, and made their tiny wings CHORUS

The purple headed mountain, the river running by  
 The sunset and the morning that brightens up the sky CHORUS

The cold wind in the winter, the pleasant summer sun  
 The ripe fruits in the garden, God made them every one CHORUS

God gave us eyes to see them, and lips that we might tell  
 How great is God Almighty who has made all things well CHORUS

CALIFORNIA STARS

A

I'd like to rest my heavy head tonight

E

on a bed of California stars

D

I'd like to lay my weary bones tonight

A

on a bed of California stars

I'd love to feel your hand touching mine  
and tell me why I must keep working on  
Yes I'd give my life just to lay my head tonight  
on a bed Of California stars

I'd like to dream my troubles all away  
on a bed of California stars  
Jump up from my starbed, make another day  
Underneath my California stars

They hang like grapes on vines that shine  
and warm the lovers' glass like friendly wine  
So I'd give this world just to dream a dream with you  
on our bed of California stars ... REPEAT FIRST TWO VERSES

Runnin' from the cold up in New England  
I was born to be a fiddler in an old time string band  
My baby plays the guitar, I pick the banjo now  
Oh the north country winters keep gettin' me down  
I lost my money playin' poker so I had to up and leave  
But I ain't turnin' back to live in that old life no more ... CHORUS

Walkin' to the south out of Roanoke  
Caught a trucker out of Philly, had a nice long talk  
But he's headed west to the Cumberland Gap, Johnson city, Tennessee  
I gotta get a move on straight for the sun  
I hear my baby callin' my name and I know she's the only one  
And if I die in Raleigh at least I will die free ... CHORUS

AS TEARS GO BY

C G(D7) F G  
It is the evening of the day  
C G(D7) F G  
I sit and watch the children play  
F G C Am  
Smiling faces I can see, but not for me  
F G G7  
I sit and watch as tears go by

My riches can't buy everything  
I want to hear the children sing  
All I hear is the sound, of rain falling on the ground  
I sit and watch as tears go by

It is the evening of the day  
I sit and watch the children play  
Doing things I used to do, they think are new  
I sit and watch as tears go by ... REPEAT FIRST VERSE

THE CIRCLE GAME

C F C  
Yesterday a child came out to wonder  
C Am G G7  
Caught a dragonfly inside a jar  
C F Em  
Fearful when the sky was full of thunder  
F C G C  
And tearful at the falling of a star

C G7 C  
CHORUS: And the seasons they go round and round  
G7 C  
And the painted ponies go up and down  
F C  
We're captive on the carousel of time  
F Em F  
We can't return, we can only look behind from where we came  
C G7 C  
And go round and round and round in the circle game

Then the child moved ten times round the seasons  
Skated over ten clear frozen streams  
Words like "when you're older" must appease him  
And promises of someday make his dreams... CHORUS

Sixteen springs and sixteen summers gone now  
Cart wheels turn to car wheels through the town  
And they tell him, take your time, it won't be long now  
Till you drag your feet to slow the circle down... CHORUS

The years spin by and now the boy is twenty  
Though his dreams have lost some grandeur coming true  
There'll be new dreams, maybe better dreams and plenty  
Before the last revolving year is through... CHORUS

OCTOPUS' GARDEN

C Am  
I'd like to be under the sea  
F G  
In an octopus' garden in the shade  
C Am  
He'd let us in, knows where we've been  
F G  
In his octopus' garden in the shade  
Am G F  
I'd ask my friends to come and see  
G  
An octopus' garden with me  
C Am F G C  
I'd like to be under the sea in an octopus' garden in the shade

We would be warm below the storm  
In our little hideaway beneath the waves  
Resting our head on the sea bed  
In an octopus' garden near a cave  
We would sing and dance around  
Because we know we can't be found  
I'd like to be under the sea in an octopus' garden in the shade

We would shout and swim about  
The coral that lies beneath the waves  
Oh what a joy for every girl and boy  
Knowing they're happy and they're safe  
We would be happy, you and me  
No one there to tell us what to do  
I'd like to be under the sea in an octopus' garden with you

Mr. Tambourine Man

G A D G  
Hey! Mr. Tambourine Man, play a song for me,  
D G A D  
In the jingle jangle morning I'll come followin' you.  
G A D G  
Though I know that evenin's empire has returned into sand,  
D G  
Vanished from my hand,  
D G A  
Left me blindly here to stand but still not sleeping.  
G A D G  
My weariness amazes me, I'm branded on my feet,  
D G  
I have no one to meet  
D G A  
And the ancient empty street's too dead for dreaming ... CHORUS

Take me on a trip upon your magic swirlin' ship,  
My senses have been stripped  
My toes too numb to step for to be wanderin'  
I'm ready to go anywhere, I'm ready for to fade  
Into my own parade,  
Let me forget about today until tomorrow ... CHORUS

DONA, DONA

Am E Am E  
 On a wagon bound for market  
 Am Dm G C  
 There's a calf with mournful eyes  
 Am E Am E  
 High above him there's a swallow  
 Am Dm E Am  
 Winging swiftly through the sky

G C  
 CHORUS: How the winds are laughing  
 G C  
 They laugh with all their might  
 G C  
 Laugh and laugh the whole day through  
 E Am  
 And half the summer's night  
 E Am D Am  
 Dona dona dona dona, dona dona dona don  
 E Am E Am  
 Dona dona dona dona, dona dona dona don

Stop complaining said the farmer  
 Who told you a calf to be  
 Why don't you have wings to fly with  
 Like the swallow so proud and free...CHORUS

Calves are easily bound and slaughtered  
 Never knowing the reason why  
 But whoever treasures freedom  
 Like the swallow will learn to fly...CHORUS

I'M A BELIEVER!

G D G C G  
 I thought love was only true in fairy tales  
 G D G C G  
 And then for someone else and not for me  
 C G C G C  
 Love was out to get me, that's the way it seemed  
 C G D  
 Disappointment haunted all my dreams

D G C G C G C G  
 CHORUS: Then I saw her face, now I'm a believer  
 C G C G C G C G  
 Not a trace of doubt in my mind  
 C G C  
 I'm in love oooh  
 G F D  
 I'm a believer I couldn't leave her if I tried

I thought love was more or less a giving thing  
 It seems the more I gave the less I got  
 What's the use in trying, all you get is pain  
 When I needed sunshine I got rain...CHORUS

Love was out to get me, that's the way it seemed  
 Disappointment haunted all my dreams...CHORUS

I'D LIKE TO TEACH THE WORLD TO SING

D E  
 I'd like to teach the world to sing in perfect harmony  
 A7 G D  
 I'd like to hold it in my arms and keep it company

I'd like to build the world a home, and furnish it with love  
 Grow apple trees and honey bees, and snow-white turtle doves

I'd like to see the world for once all standing hand in hand  
 And hear them echo through the hills for peace throughout the land

D E  
 That's the song I hear, let the world sing today  
 A7 G D  
 A song of peace that echoes on and never goes away (REPEAT WHOLE SONG!)

JOYFUL, JOYFUL WE ADORE THEE

C G7 Am G7  
 Joyful, joyful we adore Thee, God of glory, Lord of love  
 C G7 Am G7 C  
 Hearts unfold like flowers before Thee, opening to the sun above  
 G7 C G7 C G7 E7 Am G7  
 Melt the clouds of sin and sadness, drive the dark of doubt away  
 C G Am G7 C  
 Giver of immortal gladness, fill us with the light of day

All Thy works with joy surround Thee, earth and heaven reflect Thy rays  
 Stars and angels sing around Thee, center of unbroken praise  
 Field and forest, vale and mountain, blossoming meadow, flashing sea  
 Chanting bird and flowing fountain call us to rejoice in Thee

Thou art giving and forgiving, ever blessing, ever blest  
 Wellspring of the joy of living, ocean-depth of happy rest  
 Thou the Father, Christ our brother, all who live in love are Thine  
 Teach us how to love each other, lift us to the joy divine

Mortals join the mighty chorus which the morning stars began  
 God's great love is reigning o'er us, filling hearts throughout the land  
 Ever singing march we onward, victors in the midst of strife  
 Joyful music lifts us sunward in the triumph song of life. Amen!

## I'M GOIN' SURFIN'

Hey Mom, if any of the guys on my baseball team  
Ever call me on the phone  
To ask me to play an important game  
Just say their captain ain't at home

CHORUS: Tell 'em I'm surf'in', I'm going' surf'in'  
I'll be gone for days, I'll be ridin' the waves, I'm goin' surf'in'

And if that pretty little girl from across the street,  
Who has been bothering me for days  
To go swimming in her pool, Well her pool's real cool  
But it hasn't got ten foot waves ... CHORUS

Last year I had a summer job and all day long I had to run around,  
But now I can afford a new surf board  
Now all summer long I'm going to bum around

Pack me a lunch and I'll be on my way,  
Oh yeah there's one more thing to do,  
If the mailman comes with a letter for me,  
Just forward it to Malibu ... CHORUS

## CALIFORNIA ZEPHYR

From the Great Salt Lakes of Utah to California's golden shore  
Colorado and Nevada through the deserts burnin' door  
While she's circlin' through the canyons, can't you see that mountain stream?  
It's the California Zephyr, the Union Pacific Queen

See her rockin' see her rollin' as she rambles on her way  
She left LA this morning, burnin' up the right of way  
In the distance hear her roaring, hear her lonesome whistle scream  
It's the California Zephyr, the Union Pacific Queen

She leaves the city of the angels headin' for ole Santa Fe  
She's a makin' nauts, she's makin' time, just watch her swing and sway  
And from way out in the darkness, you can see that headlight gleam  
It's the California Zephyr, the Union Pacific Queen

From the Great Salt Lakes of Utah to California's golden shore  
Colorado and Nevada through the deserts burnin' door  
While she's circlin' through the canyons, can't you see that mountain stream?  
It's the California Zephyr, the Union Pacific Queen

GRANDMA'S FEATHER BED

 We used to go down to Grandma's house ev'ry month end or so  
           D                  G                  D                  A7  
 We'd eat chicken pie and country ham 'n homemade butter on the bread,  
           D                  G                  D          A          D  
 But the best darn thing about Grandma's house was her great big feather bed

CHORUS: D                                  G                  D  
 It was nine feet high and six feet wide, soft as a downy chick  
           D  
 It was made from the feathers of forty'leven geese,  
           E7                                  A7  
 took a whole bolt of cloth for the tick  
           D                                  G                  D  
 It'd hold eight kids'n four hound dogs and a piggy we'd stole from the shed  
           D                  G                  A7                  D  
 We didn't get much sleep but we had a lot of fun on Grandma's feather bed

After supper we'd sit around the fire, the old folks'd spit and chew,  
 Pa would talk about the farm and the war, Granny'd sing a ballad or two  
 I'd sit and listen and watch the fire till the cobwebs filled my head,  
 Next thing I'd know I'd wake up in the mornin' in the middle of the old  
 feather bed...CHORUS

Well, I love my Ma, I love my Pa, I love Granny and Grandpa too,  
 I been fishin with my uncle, I rassled with my cousin, I even kissed Aunt Lou!  
 But if I ever had to make a choice, I guess it ought-a be said  
 That I'd trade 'em all plus the gal down the road for Grandma's feather bed... CHORUS

 If I have things you need to borrow  
 For no one can fill those of your needs  
 That you won't let show

(a cappella)  
 You just call on me brother, when you need a hand  
 We all need somebody to lean on  
 I just might have a problem that you'll understand  
 We all need somebody to lean on

If there is a load you have to bear  
 That you can't carry  
 I'm right up the road  
 I'll share your load ... Chorus

 I won't cry, I won't cry,  
 No, I won't shed a tear  
 Just as long as you stand, stand by me ... Chorus x2

Mothers with their babes asleep,  
Rockin' to the gentle beat

Night time on the City of New Orleans  
Changin' cars in Memphis, Tennessee  
Halfway home and we'll be there by mornin'

To fade into a bad dream  
And the steel rail still ain't heard the news  
The conductor sings his song again  
"The passengers will please refrain"  
This train has got the disappearin' railroad blues..  
CHORUS (Goodnight America...)

As I went walking that ribbon of highway  
I saw above me that endless skyway  
I saw below me that golden valley  
This land was made for you and me

I roamed and rambled, and I followed my footsteps  
To the sparkling sands of her diamond deserts  
And all around me a voice was sounding  
This land was made for you and me    CHORUS

When the sun came shining and I was strolling  
With the wheat fields waving and the dust clouds rolling  
As the fog was lifting, a voice was chanting  
This land was made for you and me

As I was walking, I saw a sign there  
And that sign said No Trespassing  
But on the other side it didn't say nothing  
That side was made for you and me    CHORUS

In the square of the city, by the shadow of a steeple  
By the relief office I saw my people  
As they stood there hungry, I stood there asking  
Is this land made for you and me?

Nobody living can ever stop me  
As I go walking my freedom highway  
Nobody living can make me turn back  
This land was made for you and me    CHORUS

On this journey through thoughts and feelings, binding intuition my head my heart  
 I am gathering the tools together, I'm preparing to do my part  
 All of those who have come before me, band together to be my guide  
 Loving lessons that I will follow, we're all swimming to the other side ... CHORUS

When we get there we'll discover, all of the gifts we've been given to share  
 Have been with us since life's beginning, and we never noticed they were there  
 We can balance at the brink of wisdom, never recognizing that we've arrived  
 Loving spirits will live forever, we're all swimming to the other side ... CHORUS

THE TIMES THEY ARE A-CHANGIN'

G Em C G  
 Come gather 'round people wherever you roam  
 G Am C D  
 And admit that the waters around you have grown  
 G Em C G  
 And accept it that soon you'll be drenched to the bone  
 G Am D  
 If your time to you is worth savin'  
 D D7 G D  
 Then you better start swimmin' or you'll sink like a stone,  
 G C D G  
 For the times, they are a chang - in'

Come writers and critics who prophesize with your pen  
 And keep your eyes wide the chance won't come again  
 And don't speak too soon for the wheel's still in spin  
 And there's no tellin' who that it's namin'  
 For the loser now will be later to win  
 For the times they are a-changin'

Come mothers and fathers throughout the land  
 And don't criticize what you don't understand  
 Your sons and your daughters are beyond your command  
 Your old road is rapidly agin'  
 Please get out of the new one if you can't lend a hand  
 For the times they are a-changin'

The line it is drawn the curse it is cast  
 The slow one now will later be fast  
 As the present now will later be past  
 The order is rapidly fadin'  
 And the first one now will later be last  
 For the times they are a-changin'

English Translation:

I look up when I walk / So the tears won't fall / Remembering those happy spring days  
But tonight I'm all alone  
I look up when I walk / Counting the stars with tearful eyes / Remembering those happy summer days  
But tonight I'm all alone  
Happiness lies beyond the clouds / Happiness lies above the sky  
I look up when I walk / So the tears won't fall / Though my heart is filled with sorrow  
For tonight I'm all alone  
Remembering those happy autumn days / But tonight I'm all alone Sadness hides in the shadow of the stars  
Sadness lurks in the shadow of the moon  
I look up when I walk / So the tears won't fall  
Though my heart is filled with sorrow  
For tonight I'm all alone

BROWN EYED GIRL

G C G D  
 Hey where did we go? Days when the rains came  
 Down in the hollow Playing a new game  
 Laughing and a-running, hey hey, Skipping and a-jumping  
 In the misty morning fog with our hearts a thumpin' and  
 C D G Em  
 You ..... My brown eyed girl,  
 C D G  
 You my, brown eyed girl.

Whatever happened ... to Tuesday and so slow  
 Going down the old mine with a ... transistor radio  
 Standing in the sunlight laughing, hiding behind a rainbows wall  
 Slipping and sliding ... all along the waterfall with you,  
 My brown eyed girl,  
 You my brown eyed girl.

CHORUS: D  
 Do you remember when we used to sing  
 G C G D  
 Shah la la la la la la la la la la la-tee-dah  
 G C G D  
 Shah la la la la la la la la la la la-tee-dah, la-tee-dah

So hard to find my way, Now that I'm on my own.  
 I saw you just the other day. My, how you have grown.  
 Cast my memory back there, Lord. Sometimes I'm overcome thinking 'bout it  
 Havin' fun in the green grass, behind the stadium with you,  
 My brown eyed girl.  
 You, my brown eyed girl ... CHORUS

DON'T STOP BELIEVING

C G Am F  
 Just a small town girl, living in a lonely world  
 C G Em F  
 She took the midnight train going anywhere  
 Just a city boy, born and raised in south Detroit  
 He took the midnight train going anywhere  
 A singer in a smoky room, a smell of wine and cheap perfume  
 For a smile they can share the night, it goes on and on and on and on

CHORUS: F C  
 Strangers waiting, up and down the boulevard  
 F C  
 Their shadows searching in the night  
 F C  
 Streetlights, people, living just to find emotion  
 F G C G F  
 Hiding, somewhere in the ni-iiii-ght

Working hard to get my fill, everybody wants a thrill  
 Paying anything to roll the dice, just one more time  
 Some will win, some will lose, some were born to sing the blues  
 Oh, the movie never ends; it goes on and on and on and on ... CHORUS

(SING 3 TIMES):  
 C G Am F C G Em F  
 Don't stop believing, hold on to the feeling, Streetlights people, Oh-Oh-Ooooooh

I Can Tell that We are Gonna Be Friends

D  
Fall is here, hear the yell, back to school, ring the bell  
G D  
Brand new shoes, walking blues, climb the fence, books and pens  
A G D  
I can tell that we are gonna be friends  
A G D  
I can tell that we are gonna be friends

Walk with me, Suzy Lee, through the park, and by the tree  
We will rest upon the ground, and look at all the bugs we've found  
Then safely walk to school without a sound  
Then safely walk to school without a sound

Well here we are, no one else, we walked to school all by ourselves  
There's dirt on our uniforms from chasing all the ants and worms  
We clean up and now it's time to learn  
We clean up and now it's time to learn

Numbers, letters, learn to spell, nouns and books, and show and tell  
At playtime we will throw the ball, back to class, through the hall  
Teacher marks our height against the wall  
Teacher marks our height against the wall

G D G D  
And we don't notice any time pass, we don't notice anything  
E G  
We sit side by side in every class, teacher thinks that I sound funny  
A  
But she likes the way you sing

Tonight I'll dream while I'm in bed when silly thoughts go through my head  
About the bugs and alphabet, and when I wake tomorrow I'll bet  
That you and I will walk together again  
'Cause I can tell that we are going to be friends  
Yes I can tell that we are gonna be friends

TEACH YOUR CHILDREN

C F C G  
You, who are on the road, must have a code that you can live by  
C F C G  
And so, become yourself, because the past is just a goodbye  
C F C G  
Teach...your children well, their father's hell will slowly go by  
C F C G  
And feed...them on your dreams, the one they picks the one you'll know by  
C F C  
Don't you ever ask them why, if they told you, you will cry  
Am F G C  
So just look at them and si-i-igh, and know they love you

And you, of tender years, can't know the fears, that your elders grew by  
And so, help them with your youth, they seek the truth before they can die  
Teach, your parents well, their children's hell will slowly go by  
And feed, them on your dreams, the one they picks the one you'll know by  
And don't you ever ask them why, if they told you, you will cry  
So just look at them and sigh, and know they love you

Summer of '69

D A  
I got my first real six-string ... bought it at the five-and-dime  
D A  
Played it till my fingers bled ... It was the summer of '69

Me and some guys from school ... had a band and we tried real hard  
Jimmy quit and Jody got married ... I shoulda known we'd never get far

Em A  
Oh when I look back now  
D G  
That summer seemed to last forever  
Em A  
And if I had the choice  
D G  
Yeah - I'd always wanna be there  
Em A D A  
Those were the best days of my life

Ain't no use in complainin' ... When you got a job to do  
Spent my evenin's down at the drive-in ... And that's when I met you!!

Standin' on your mama's porch  
You told me that you'd wait forever  
Oh and when you held my hand  
I knew that it was now or never  
Those were the best days of my life (Oh Yeah!)  
A D A  
Back in the summer of '69

And now the times are changin'... Look at everything that's come and gone  
Sometimes when I play that old six-string ... I think and wonder what went wrong

Standin' on your mama's porch  
You told me it would last forever  
Oh the way you held my hand  
I knew that it was now or never  
Those were the best days of my life  
A D  
Back in the summer of '69

GOOD RIDDANCE

G C D  
Another turning point; a fork stuck in the road.  
G C D  
Time grabs you by the wrist; directs you where to go.  
Em D C G  
So make the best of this test and don't ask why.  
Em D C G  
It's not a question but a lesson learned in time.

Em G Em G  
CHORUS: It's something unpredictable but in the end it's right.  
Em D G [C D] \*first chorus only  
I hope you had the time of your life.

So take the photographs and still frames of your mind  
Hang it on a shelf in good health and good time  
Tattoos of memories and dead skin on trial  
For what it's worth, it was worth all the while CHORUS x2

ALL STAR

G D Am C  
Somebody once told me the world is gonna roll me  
G D Am C  
I ain't the sharpest tool in the shed  
G D Am C  
She was looking kinda dumb with her finger and her thumb in the  
G D Am C  
shape of an "L" on her forehead

Well the years start coming and they don't stop coming  
Back to the rules and I hit the ground running  
Didn't make sense not to live for fun  
Your brain gets smart but your head gets dumb

So much to do so much to see  
So what's wrong with taking the back streets  
You'll never know if you don't go  
You'll never shine if you don't glow

Chorus:

G5 C5 C5/C# C5  
Hey now you're an All Star get your game on, go play  
G5 C5 C5/C# C5  
Hey now you're a Rock Star get the show on get paid  
G5 C5 C5/C# C5  
And all that glitters is gold only shooting  
G5 F5 C5  
stars break the mold

It's a cool place and they say it gets colder  
You're bundled up now but wait 'til you get older  
But the media men beg to differ  
Judging by the hole in the satellite picture

The ice we skate is getting pretty thin  
The waters getting warm so you might as well swim  
My world's on fire how about yours  
That's the way I like it and I never get bored

Chorus

Somebody once asked, could you spare some change for gas  
I need to get myself away from this place  
I said yep what a concept I could use a little fuel myself  
And we could all use a little change

Well the years start coming and they don't stop coming  
Back to the rules and I hit the ground running  
Didn't make sense not to live for fun  
Your brain gets smart but your head gets dumb

So much to do so much to see  
So what's wrong with taking the back streets  
You'll never know if you don't go  
You'll never shine if you don't glow

Chorus
