

## Upcoming Adobe Acrobat & Sign Events Spring – Summer 2022

### ACROBAT

Acrobat Skill Builder: Add interactivity to your PDFs

2/17 @11am ET (30 mins)

Join this session to learn about making your PDFs interactive with videos, hyperlinks, buttons, bookmarks, and more. **Registration:** <https://adobe-acrobat-skill-builder.joinus.adobeevents.com/>

### **Acrobat Skill Builder: PDF Forms 101**

3/24 @11am ET (30 mins)

Learn the basics of working with PDF forms: How to add form fields to any PDF to collect information from others, and how to complete and sign a form yourself.

**Registration:** <https://adobe-acrobat-skill-builder.joinus.adobeevents.com/>

Acrobat Skill Builder: PDF Forms, Level 2

4/21 @11am ET (30 mins)

Take your fillable forms a step further with automatic field calculations, a "Submit" button, and distribution options. **Registration:** <https://adobe-acrobat-skill-builder.joinus.adobeevents.com/>

Acrobat Skill Builder: Paper to pixels to words: Scanning & OCR

5/26 @11am ET (30 mins)

Learn how easy it is to scan your paper documents into editable, searchable PDF files. **Registration:** <https://adobe-acrobat-skill-builder.joinus.adobeevents.com/>

Acrobat Skill Builder: Readability for all: Creating Accessible PDFs

6/23 @11am ET (30 mins)

Adding accessibility features to your PDFs help all readers access the content. Join this session to learn how you can create compliant, accessible PDFs with Acrobat DC. **Registration:** <https://adobe-acrobat-skill-builder.joinus.adobeevents.com/>

Acrobat Skill Builder: Simple Automation with Action Wizard  
7/28 @11am ET (30 mins)

Stop repeating simple manual tasks! This session will teach you how to use Action Wizard in Acrobat DC to batch process your PDF files and perform serial, repetitive tasks automatically. **Registration:** <https://adobe-acrobat-skill-builder.joinus.adobeevents.com/>

Acrobat Skill Builder: PDF Security  
8/25 @11am ET (30 mins)

Get all the info you need on protecting your PDF content. This session will share techniques for adding passwords to prevent viewing, editing, or printing a PDF, and show you how to permanently remove sensitive information - even from non-visible metadata! **Registration:** <https://adobe-acrobat-skill-builder.joinus.adobeevents.com/>

## **ADOBE SIGN**

Adobe Sign Webinar: Adobe Sign New Release - February 2022  
2/24 @ 11am ET (30 mins)

Join us for our quarterly review of what's new in Adobe Sign. We'll share details on the latest additions to the product and take live Q&A on how the updates can benefit your team. **Registration:** <https://adobe-sign-skill-builder.joinus.adobeevents.com/>

Adobe Sign Webinar: Prepare your agreements for e-signature  
3/17 @ 11am ET (30 mins)

Learn about three easy ways to set up your documents for e-signature. Whether they're PDFs, Microsoft 365 files, or even a simple image file, this session will give you the tools you need to get that document signed. We'll cover three methods: - Adobe Sign's simple drag-and-drop authoring environment - Set up a PDF form in Adobe Acrobat DC - Use text tags for speedy document authoring. **Registration:** <https://adobe-sign-skill-builder.joinus.adobeevents.com/>

Adobe Sign Webinar: Collect Many Signatures with One Click  
4/14 @ 11am ET (30 mins)

Adobe Sign's Send in Bulk feature lets you send a single document to hundreds of signers. When you need multiple individuals to sign unique copies of the same NDA, release form, enterprise-wide policy update, or any other single-signer document, you'll save time by preparing the file once and automatically collecting individual responses. **Registration:** <https://adobe-sign-skill-builder.joinus.adobeevents.com/>

Adobe Sign Webinar: Adobe Sign New Release - May 2022  
5/19 @ 11am ET (30 mins)

Join us for our quarterly review of what's new in Adobe Sign. We'll share details on the latest additions to the product and take live Q&A on how the updates can benefit your team. **Registration:** <https://adobe-sign-skill-builder.joinus.adobeevents.com/>

Adobe Sign Webinar: Post a fillable, signable web form  
6/16 @ 11am ET (30 mins)

Create a web form to let anyone complete and sign a form - without needing you to initiate the transaction, or even know their email address. This session will show you how you can prepare a document template that can be used for individual signature transactions as well as for posting to a unique URL for broad sharing. **Registration:** <https://adobe-sign-skill-builder.joinus.adobeevents.com/>

Adobe Sign Webinar: Skill Builder for Admins – Create a workflow  
7/14 @ 11am ET (30 mins)

Make sure documents are signed right the first time, and every time. If you're a group or account admin, you can define pre-set workflows in Adobe Sign to automatically route documents for signature to the correct parties - then grant access to your whole Adobe Sign group so they can run the workflow for key signature processes. **Registration:** <https://adobe-sign-skill-builder.joinus.adobeevents.com/>

Adobe Sign Webinar: Adobe Sign New Release - August 2022  
8/18 @ 11am ET (30 mins)

Join us for our quarterly review of what's new in Adobe Sign. We'll share details on the latest additions to the product and take live Q&A on how the updates can benefit your team. **Registration:** <https://adobe-sign-skill-builder.joinus.adobeevents.com/>
