## ADVANCING BIOMANUFACTURING INNOVATION IN RURAL ALABAMA

### What is Alabama Biomanufacturing Labs?

Alabama Biomanufacturing Labs (ABL) is a partnership between Opportunity Alabama, Measured Capital, and Arrowpoint Labs that aims to **boost life sciences manufacturing startups in rural Alabama**. Backed by the Accelerate Alabama 2.0 Plan and Innovate Alabama Tax Credit Program, ABL offers **in-kind technical, regulatory, and commercial support** to biomanufacturing startups.

MeasuredCapital

---

### Who is eligible to apply?

Applicants may be Alabama startups **in the life sciences** intending to **manufacture a product** and meeting the definition of an Innovative Company, as defined in Ala. Code § 41-10-842; OR individuals who will create a biomanufacturing startup that will meet the definition of an Innovative Company.

Preference will be provided toward companies in rural areas of the State.

---

### What does the program involve?

Alabama Biomanufacturing Labs will provide up to **\$100,000 in non-dilutive technical, regulatory, commercial, and venture development support** to biomanufacturing startups in Alabama.

---

### How can I get involved?
