

b) Any current or planned support from the state or region, financial or otherwise. (Not Required)

B. TEAM COMPOSITION

The proposal must be led by a member of the IHE's executive staff such as the Vice-President for Research who will serve as the Team Lead, henceforth referred to as the Applicant. The composition of the team will look different depending on the application, but key participants and proposed subawardees must be identified at the time of application. All key personnel must hold appointments at an IHE in a DEPSCoR eligible state.

Applicant institutions are limited to no more than one application under this FOA.

C. DoD RELEVANT AREAS

Applications must address one or more of the technical basic research areas outlined in the Services (Army Research Office [ARO], Office of Naval Research [ONR], and Air Force Office of Scientific Research [AFOSR]) broad agency announcements (BAA). Please refer to the websites cited below for detailed technical information and goals for the Services.
