

Western Avenue Construction Update

Western Avenue Bridge over the Chicago River

This notification is to advise local residents of upcoming work planned for Monday, August 29th through Sunday, September 11th on Western Avenue Bridge over the Chicago River.

The contractor will begin construction on the east half of the bridge deck over the Chicago River beginning on Monday August 29th. The first activity will be the existing deck removal. This work will take place daily between 7 AM and 9 PM through Sunday, September 11th. During this time period the contractor will perform clean-up work overnight.
