Dear Rabbi Blumberg and Everyone at Temple Beth Am,

Thank you so much for your generous donation of food and diapers. It enables A Place To Turn to fulfill our mission of providing healthy food and basic needs with dignity.

Your support and partnership make an immediate impact. The pantry is growing to meet the increased community need. There were over 12,000 pantry visits last year, which is three times the number of visits just five years ago. You have made it possible for us to maintain the quality and quantity of food we are able to distribute, even with the increase in visits. Your partnership makes it possible for children go to school ready to learn, parents to have the energy they need to work and take care of their families, and for older adults to have the nutrition they need to thrive.

A Place To Turn serves with dignity and kindness while offering as much fresh food as possible. Everybody who visits the pantry is able to choose the foods they want for their families. We strive to offer as much variety as possible, so families can find familiar foods they like to eat.

Thank you again for your support of A Place To Turn and your commitment to helping every family in our community put healthy food on their table. We could not do this work without you!

With deep gratitude,

Rebecca Gallo
Executive Director
