An 8 Session Series for Fathers and Teens

We are looking for fathers or father-figures and their teenage child between the ages of 11 and 16 to participate in this program. Come make some memories as you learn to grill wonderful dishes together. Strengthen your relationship, practice healthy grilling, and have fun while you do it. Each session includes a meal that you and your teen prepare together as well as activities that are designed to strengthen relationships. All materials and supplies will be provided at no charge. As you attend each session, you will earn items towards your own grilling kit for your family including an electric grill. **Registration is required for the 8 sessions.**
