

The American Red Cross prevents and alleviates human suffering
in the face of emergencies
by mobilizing the power of volunteers and the generosity of donors

Join us as we bring Red Cross programs and services to our neighbors in Pike County

Picture yourself...

Disaster Action Team

...helping people impacted by disasters (usually fires) by going to the scene of the fire to provide food, clothing, shelter and emotional support.

➔ ***Our greatest need is for members of this team.***

Home Fire Preparedness Campaign

...installing free smoke alarms and teaching residents how to make a home fire escape plan.

Preparedness Education

...teaching children in grades 3, 4 and 5 about emergency preparedness through our fun and interactive Pillowcase Project presentation.

Services to the Armed Forces

...providing Red Cross support to members of the armed forces, veterans' groups and their families.

Administrative and Clerical Support

...helping with office work and answering telephones at our Portsmouth office, or working on projects using your home computer and phone.
