Free Admission! Learn more  
and register here:

[bit.ly/ODHWorkshop5](http://bit.ly/ODHWorkshop5)

Refreshments  
provided!

This workshop will use presentations, discussions, and hands-on activities to explore the connections between land use and public health. Health professionals, planners, policymakers, and transportation professionals are encouraged to register. The Ohio Department of Health maintains a suite of land use-related resources available <https://odh.ohio.gov/wps/portal/gov/odh/known-our-programs/creating-healthy-communities/Active-Living/>. Please take time to review these materials before attending the workshop.

### Workshop Highlights:

- » How to Improve Health through Land Use and Environmental Design Strategies
- » Best Practices in Land Use and Health: Lessons from Ohio Communities
- » Implementation Strategies and Equity Considerations

AICP members eligible for CM credit; 4 contact hours for CEU credit.
