

GROW YOUR GAME

Spring Soccer 4-Week Training Program AT THE PIKE COUNTY YMCA

Our Spring Training Program provides an opportunity for children who have indicated an exceptional interest in soccer to refine and enhance their game. The program will combine instruction on fundamentals, tactics, speed & agility, physical & mental conditioning, along with analysis of on-field play. Although soccer in our area has traditionally been viewed as a "Fall sport," those with the desire to become "complete" players must seek year-round opportunities to grow. *Growth* is what this program has been engineered to provide.
