## Be a site for Goodwill's Summer Youth work program!

"It is humbling to work alongside these folks as they displayed such a 'can do' spirit that our staff certainly noticed! Of course, learning a bit about golf and being able to drive the golf carts are usually the highlights of time spent here at the Creek, but it is easy to say Cooks Creek definitely benefited from our affiliation with Goodwill's summer youth program."

Cathy Cook, Cooks Creek Gulf Club

### Benefits of partnering with the Summer Youth Program:

- **Help youth with disabilities** gain marketable, transferrable job skills including soft skills. This helps them and businesses like you by improving the quality of job applicants.
- **Free help for 5-10 weeks!**
- Have an opening? This could lead to finding a quality worker!
- Recognition for your contribution in a Goodwill news release and Facebook posting to more than 5,600 followers.

### What does Goodwill do?

- We bring the teens, provide the training, and remain on-site supervising them as they complete the job duties you identify.
- We, in partnership with Opportunities for Ohioans with Disabilities, pay the teen workers minimum wage for their time working for you.
- **We take on 100% of liabilities** if something happens with one of our folks.

Choose to be a site for one or both 5-week sessions!

June 6 - August 12
