Starting or running your own business can challenge even the most seasoned entrepreneur. Join us and discuss the challenges faced by businesses owners in today's landscape and address how businesses can stay competitive amidst those challenges. This workshop will touch on business structure, tax saving tips, retirement plans, succession planning and retirement, how Secure Act 2.0 affects small businesses.

**Educational workshop provides  
valuable information for small  
business owners.**

"We are excited for the opportunity to share this information with local business owners and hope the material helps them navigate the ups and downs of entrepreneurship." says Sharon Nickell, Financial Professional with Affiliated Financial Group.

**Presented By:**

**Sharon Nickell** and **Adriana Hawk**
