AmazonSmile Program

AmazonSmile Program Details

AmazonSmile is a website operated by Amazon that lets you enjoy the same wide selection of products, low prices, and convenient shopping features as on Amazon.com.

The difference is that when you shop on AmazonSmile (smile.amazon.com), the AmazonSmile Foundation will donate 0.5% of the purchase price to the eligible charitable organization of your choice.

AmazonSmile has the same wide selection of products, low prices, and convenient shopping features as Amazon.com, including Amazon Prime member benefits.

Tens of millions of products on AmazonSmile are eligible for donations. You will see eligible products marked "Eligible for AmazonSmile donation" on their product detail pages. Recurring Subscribe-and-Save purchases and subscription renewals are not currently eligible.

You can manage your purchases and other account information on Amazon.com and AmazonSmile using a single account. You can use your existing Amazon.com account on AmazonSmile if you have one, or create a new account if you don't.

Donations are not made for products that are returned.

The amount that the AmazonSmile Foundation donates as a result of your AmazonSmile purchase is not tax deductible by you. If you have any questions about your tax situation, you should contact your tax advisor.

About the AmazonSmile Foundation

All payment methods available on Amazon.com, including Shop with Points, are available for use on AmazonSmile. Note that if you choose to Shop with Points, we will calculate donation amounts based on the price of the item (not the amount of points redeemed).

Privacy Information
