

Give Life Together. There is Power in Numbers. Organize a Group Blood Donation!

July 3, 2018

MCA Friends and Colleagues,

People of all walks of life need blood products. Some need it to get them through serious events in their lives, like cancer, heart surgery, or a car crash. Others have a medical condition which means they need blood products regularly to stay alive or be healthy.

MCA has joined the movement and become a Partner in Saving Lives with Canadian Blood Services

We invite you to be a member of our MCA Give Life team! This is a group of employees and colleagues who are willing to donate blood together as a team on July 24th, we will reserve and schedule appointments at the Executive Royal Inn blood donor clinic located on 2828, 23rd Street NE. Or select a date and location that work for you. See schedule [here](#)

By starting a Give Life team and asking people in our organization to be a blood donor, you help them discover they have an amazing power... the power to Give Life.

Doing good looks good, and most importantly it feels good! Our team's blood donations will go directly to helping hospital patients in need. Joining Partners for Life helps you build a stronger sense of community within our organization while demonstrating your commitment to helping others in the community at large.

Canadians are some of the most generous and loyal blood donors in the world. By agreeing to become a *Partner For Life* donor and committing to group blood donations, you are joining an amazing community of partners in Calgary and area who are making a difference every day!

We look forward to an opportunity to speak with you and answer any questions you may have. To register yourself as a donor for MCA team visit: <https://blood.ca/en/blood/join-your-organization>
Please register under the partner ID: [MCA915927](#)
