## **Expert review of prompt payment**

The federal government has enlisted lawyers Bruce Reynolds and Sharon Vogel, authors of the *Striking the Balance: Expert Review of Ontario's Construction Lien Act*, to conduct an expert review of prompt payment issues across Canada. This review has a very tight turn-around time with the final report scheduled to be tabled with parliament on May 1, 2018.

Reynolds and Vogel have confirmed they will be hosting a town hall expert review meeting in Calgary, from 10:30 a.m. to 12:20 p.m., on March 16, 2018. The meeting will be held in the Chinook room of the Calgary Construction Association Building, 2725 12st NE, Calgary, AB, T2E 7J2. An information package for the meeting is [attached](#).

This will be an opportune time to give input and express concerns regarding federal prompt payment legislation and question these experts on the intricacies of writing and implementing prompt payment legislation. We look forward to having participation from government officials, government staff and contractor company representatives.

Please RSVP your attendance to [info@mca-ab.com](mailto:info@mca-ab.com) or call 403 250-7237.
