

Naheed K. Nenshi, Mayor

## PROCLAMATION

*World Plumbing Day* is an international salute to the quality of life that modern plumbing brings to the world, and an opportunity to raise awareness about the importance of plumbing in providing safe living conditions for citizens around the world.

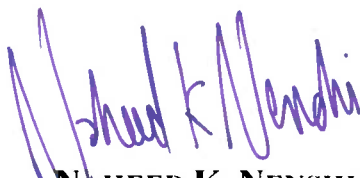

Whereas: Every person on the planet is affected by the availability of clean drinking water and basic sanitation;

Whereas: Preventable diseases related to non-existent or basic plumbing infrastructure claim the lives of millions each year, mostly children;

Whereas: Simple plumbing solutions could make all the difference in saving lives.

On behalf of City Council and the citizens of Calgary, I hereby proclaim  
March 11, 2018 as:
